Tom and Bill – please forgive me but I need to work through lunch today to meet a deadline for a response to the Gates Foundation on an early childhood education project we're involved with. We thought we had it all wrapped up yesterday but found we have to address a few more questions that have popped up.

Tom - my apologies to you especially but you're in great hands with Bill. Frankly I was just coming along for fun! Bill's of course the expert and leader who can really get you fully briefed. I'll look forward to meeting you another time soon!
